

Supply List for Barbie Mathis Watercolor Class

Paper – 1 sheet - 22" x 30" - 140 lb or 300lb. Fabriano or Arches Cold Press

We will cut this into the sizes we need. You may bring other watercolor paper or blocks if you already have some of another weight and brand and buy more as needed. I prefer Fabriano paper.

1 inexpensive watercolor pad for color charts, 8 x 10 or larger.

Foam core board or Gator Board to use as a base support to tape paper on for painting. Needs to be approximately 16" x 20" -can be slightly smaller or larger.

Watercolor Palette – Any white rectangular palette with lid and wells to hold color will work approximately 10" x13" or larger with at list 16 wells. (small round 6" palette will not work for this class as space is needed to mix paint).

Paint – Winsor Newton Professional Grade Artist's Watercolors, 5 ml tube (or larger) This is my palette. If you already have other colors, bring them.

Aureolin

Cadmium Yellow Pale (optional)

Cadmium Orange (optional)

Raw Sienna or yellow ochre

Burnt Sienna

Burnt Umber

Raw Umber

Winsor Red or Cadmium red

Alizarin Crimson

Permanent Rose
